3. Projects/Annual Events:
 - a. Annual events:
 - i. Fern & Mixed Basket Sale: 880 total plants were sold. We made just over \$5,300. The greenhouse ran out of 10" mixed plants so they sent about 100 12" plants in their place. Cost for ferns is \$9.50 each, Mixed baskets and Wandering jews are \$8.50 each. If we'd like to change to the 12" baskets, we could probably sell them for \$18 at the cost of \$10.50-11. If we'd like to do the bigger baskets, we'd need to let the greenhouse know in early January. It is likely that costs will go up about \$0.50 next year. We should confirm the cost with the greenhouse to make sure we set the price correctly. Many who picked up mixed baskets commented about how great they did last year, didn't die.
