They offered us \$1,000 refund to keep shirts, we used that as a credit and ordered some more hoodies and t-shirts without 2019. Not a lot of shirts due to the high inventory numbers we already had. So far we are (\$-909) on the sale of shirts, but we have 61 hoodies, and 68 t-shirts, 12 tanks and 21 raglans in stock. [Need someone to tag and hang extras on rack to sell.](#) Licence plates - not ordered -Minimum order 250, I looked for online vender with lower minimum and I did not find one, plus there is a set up fee. Walkway to the PTO closet - Justin Theiring gave me the contact info for Grade A Construction, where he and another parent works, to ask the owner Lance Lannom about building the sidewalk, I measure 31feet. They are already approved with the board, as they already work on WCS. Mr. Dunn would also like a sidewalk on our plan, for the hill of the car line drop off zone. I have not called yet, but will soon.

More shade on the playground - Structure, contacted Great Southern Recreation for info, spoke with Nathan that has done our new playground equipment. He does not do the wooden frame, aluminum roof structures, he does the shades with metal poles. \$6,000 to \$8,000 and up. I measure 16x20 area.
