

1. TREASURER'S REPORT + CURRENT BALANCE

- a. **Current Balance** - \$31,972.23

2. PROJECTS + ANNUAL EVENTS:

- a. **Mum Sale** – We sold 1,363 this year. 857 regular /636 premium. Profit should be just over \$12,000. Delivery day is Friday, October 1st. We need Volunteers to unload trucks in the morning and help load cars in the afternoon. We did purchase two signacades for the parking lot. Yay! Not counting extras that a few people ordered.
- b. **Playground Shade** - Over Picnic Tables. We voted and Approved \$10,000. The prices are: 1) 20x20 shade that would go beyond the current concrete slab is slightly over budget at \$11,100. 2) 20x15 to cover current concrete slab (with about 2.5 feet of the slab not under the shade) and stay under budget is \$9,800. So, we need to vote to raise the budget for the larger shade option, or stay within the budget for the smaller shade option. Passed to raise the budget. Neva made a motion and Doug 2nd. All for, none opposed.
- c. **Bench on Playground at Basketball court** - The playground company says they are not able to fix it. To replace it costs: 1) They ship to us and we do the work: \$5,275. 2) They do it all (maybe not possible if the vendor has to be approved) \$6,875. Price other benches this is too costly.
- d. **Coats** - for car line workers. Ordered 10 coats \$1600. Where and how to hang them to keep? Behind the stage, as you go out of the student entrance. Label by size for quick access.
- e. **Spirit Items** – We are discussing selling more than shirts, like beanies, scrunchies, cups, shorts, socks, pop its. No date yet. If anyone wants to take point on this, it would be greatly appreciated.
- f. **PTO Shirts** - We are designing a new PTO crew shirt. Just for PTO members that would like one. Buy our own shirt, not a fundraiser so it will not be going through the pto accounts.
- g. **Student of the Month** - Started today, new certificates designed by Nikki. Signs to K-5 and Chick-fil-A \$5 gift cards to middle school students. Jessie made a photo to post on facebook.
- h. **Winter Carnival** – May combine with X-STREAM night in the Spring. On Hold

4. **NEW IDEAS OR SCHOOL NEEDS** - Open for discussion.

Dead trees by the fence of the playground. Replant new trees. Maybe the Ag specials class could do this? We need a hardy, fast-growing shade tree that doesn't require a lot of maintenance and is hypoallergenic. We were thinking of American Sycamores, but if anyone has a better idea, we are open to all options. [American Sycamores grow 3-6 feet per year](#). [May have someone to volunteer to cut old trees down](#). [Need to be careful of memorial stones](#).

Knockdown the old playground equipment at Kids Club [Dunn spoke to maintenance about this](#).

Put stepping stones by the Kids Club area [YES, looking for volunteers](#)

Teacher Lounge update in the Kindergarten hallway. [Kindergarten teachers might have an idea of Storage units on one of the walls](#).
