Clocks that work - clocks in classrooms, and outside the cafeteria do not work. Would be good for students and teachers when testing. Need to take inventory on which classrooms need clocks.

Plan a Campus Cleanup day - Date - Summer - tear down the wooden shed by pre-k, fix and paint that little building and bench by basketball court. install pavers by kids club & pre-k door. Maybe purchase outdoor trash cans.

Kindergarten Teacher Lounge -TBD - Summer Project?

Water the trees over summer - Mrs. Veurink will use her beautification budget to purchase hose for flowers and we can also use it for trees. Kids Club to water trees. Ask Amber if that is ok.

New ideas tonight -

Check prices on new color/digital board for the front sign.

May need to purchase 4 more tables for the outdoor area by 2nd grade so students can continue to lunch together in the front.

Who is on the approved vendor list for sidewalk work for the PTO closet? Ask Mr. Dunn.

New ideas to get parents to volunteer: Focus on kindergarten and 1st grade parents, maybe a meet and greet.
